

Vendor Application Check-List

This checklist is intended to help market vendors submit their application and all required documents for products they are wishing to sell. All items might not apply to you. You may use this checklist to check off items as you complete them. If something doesn't apply to you, please list "N/A" next to the item. If you are not sure, please ask the Market Manager prior to submitting your application.

- Vendor application
- Poultry and Meat Handlers License
- Kitchen Inspection
- Acidified Food License
- Commercial Fisherman's Name and License Number
- Fish Dealers Name and License Number
- Organic Certification
- Nursery License
- Do you have liability insurance to cover your product?
- Any other information that you may provide (ex. GAP certification, or other certification or licenses for your farm or products being sold)
- Schedule a meeting with the Market Manager
(encouraged for all vendors before participating in the market each year,
required for new vendors)
