## WELCOME 2023 YC

I want to let you know how excited am I you decided to join Young Commissioners. It was a pleasure to get to know all of you during your bootcamp. I am looking forward to the coming year and getting to know you even better. I know I am going to have my hands full with this group and know we will have a lot of fun.

Young Commissioners is celebrating it's 10th anniversary this year and the class of 2023 along with the current YC will do the club proud.

After taking the month of July off we will get busy letting the folks of Sanford and Lee County get to know us.

## MY TIME IN 4H

### Jayla Tabora

I have only just become

a young commissioner after doing the 2-week summer program, but I am already so excited about the tasks and duties I will have to do. My friends would ask me if I wanted to do this program, and since I still wanted to see them during the summer, I accepted it. But when I first started the summer program, I was scared I was going to be the lonely girl and only talk to 1-2 close friends I already knew. Instead of that, I met many other people I could relate to and communicate with. This was probably one of the best choices I made when I was offered to join Young

Commissioners, and I will most likely continue with this program. We met so many people who all wanted to be a part of a big cause in our community. We pledged our heads, hearts, hands, and health for our club, our community, our country, and our world, so that is just what we will do.
