BE A VOICE

NOT AN ECHO

Have you considered becoming a voice in Sanford and Lee County? Now is your chance, join the *Lee County Youth Council*. As a member of the council you will be able to attend County Commissioner meetings and let them know what is on the minds of youth in Lee County. You might also be able to serve on a board in Lee County like the Library Board. This is a one year commitment, you will attend no more than 2 County Commissioner meetings. Let your voice be heard, be a part of making Lee County a better place for our youth.

This will count toward your Citizenship and public speaking certificates and will look great on college and scholarship applications.

READING

Addison Tunnard

Many of us have goals for this school year, whether you want to get good grades, stay on task, or manage your time wisely. For me, I would love to try and read more. Reading often gets a bad rep for being “too boring”, but maybe you just aren’t finding the right book. And once you do find that special book, you can gain new perspectives or get lost in your imagination! All you have to do is just find something that interests you. Whether you are into thrilling mysteries, exciting fantasies, or want to understand a real-world topic, there is a book just for you. If you been hesitant to pick up a book, give it another shot. Seek recommendations from friends, family, or on social media. Visit a library or bookstore, and see for yourself. With many authors and stories waiting to be discovered, there is something just for you! So try it out, and let the pages of the book do the rest.

FROM YOUR PRPRESIDENT

Jeanne Apperson

Happy September everyone! I am so excited for our fair booth this year! Thank you to everyone who came to Cindy's for the Barbie Photoshoot! It was a lot of fun and I am excited to see what Mac and Sofia have planned for our table. To those who are

working at the fair for the first time, it's a lot of fun! Even if it's a long shift, the time will fly by! The people you work with are typically very nice as well! I'm sure that all of you will have a lot of fun. I appreciate all those who are putting in the hours to help not only our community but our club as well. Each and every one of you has such a kind soul and I love seeing all that you bring to our club. Here's to a successful September and fair season!

FAIR BOOTH

Mac Serrano

For the fair that's coming up very soon me and Sofia have came up with the idea of Barbie. The learning element of the booth is how barbie has grown and how it has affected young girls in both negative and positive ways. So if you want to help we will be more than happy for your help. You can help in many ways like helping set up on September 7th & 8th, bring supplies, or just stopping by and looking at the booth.

Do you know what you want to do after college? Not sure, but have an idea? Let me know if you would like to find someone to talk to about your chosen profession. I will do my best to find someone to if not mentor and least give you some advise on to pursue your dream.
